

**Eat. Cook. Grow.
2021 Food Oasis Grants**

With its latest set of Food Oasis grants, the Atlanta Falcons Youth Foundation is supporting clever innovation and scalable solutions that change the food futures for Georgia kids and families, especially those most impacted by the long-term effects of the COVID-19 pandemic.

The portfolio includes more than \$2 million in grants to 23 organizations. The grants will work to ensure that youth understand the lifecycle of healthy eating and also support local farmers throughout Georgia.

The Atlanta Falcons Youth Foundation is a grant-making program administered by The Arthur M. Blank Family Foundation. A committee of Atlanta Falcons associates review and recommend grants designed to reduce obesity and improve fitness among school-age children in Georgia.
