

Giving Area

Environment

Reducing climate-fueling emissions by supporting clean electricity and healthy soils

Recent Grants

Clean Energy

- **Rocky Mountain Institute (RMI):**
\$1.2 million to support Rocky Mountain Institute's work to advance a clean, prosperous and affordable future
- **Clean Grid Initiative:**
\$6.1 million to support a collaborative philanthropic approach to expand transmission infrastructure in the U.S.
- **Clean Energy Buyers Institute (CEBI):**
\$3.7 million to support CEBI as it works to solve the toughest market and policy barriers to achieve a carbon-free energy system

Land

- **World Wildlife Fund:**
\$3 million to support its Ranchers Stewardship and Viability Planning program in Montana

Giving to Date

More than **\$56 million** since 2022

Energy

Working to accelerate the deployment of clean electricity and its positive benefits on people's lives in the West and Southeast.

Land

Working to increase the protection of native grasslands and the adoption of climate-smart agricultural practices across the state of Montana.
